

**2014 Summer Season
Temporary Employment Opportunities
US Forest Service, Eastern Region
Chequamegon-Nicolet National Forest**

***** Forestry – Recreation – Engineering – Archaeology – Plants –
Wildlife – Fisheries – Maintenance – Heavy Equipment Operations *****

Locations available in Wisconsin – Eagle River, Florence, Glidden, Hayward, Lakewood, Laona, Medford, Park Falls and Washburn

The Chequamegon-Nicolet National Forest is seeking qualified applicants to fill a variety of temporary (not to exceed 1,039 hours) full-time positions for the 2014 summer season. This outreach notice is being circulated to inform prospective applicants of this employment opportunity. Listed on the following pages are temporary employment opportunities for the 2014 field season. A wide variety of jobs are available. Length of season and number of positions will depend upon budget. Seasonal housing may be available. Check with contact person listed for the positions below. These positions are located at various offices and stations throughout the forest in northern Wisconsin.

Candidates can select from any of the following locations in Wisconsin – **Eagle River, Florence, Glidden, Hayward, Lakewood, Laona, Medford, Park Falls, and Washburn.**

For additional information on the Chequamegon-Nicolet National Forest and updated information regarding Vacancy announcement numbers for these positions, please visit <http://www.fs.usda.gov/cnfn> and select “Employment” on the right-hand side.

Please note, the while students can apply for any of the positions listed below, those positions with locations denoted by a ** are reserved for **students only** through the Pathways Program.

Forestry Technician (Timber Sale Prep) GS-0462-05

Selects and marks individual trees for harvest using well defined marking guidelines, silvicultural prescriptions, and specific instruction. Traverses harvest units, processes information and produces maps. Applicants designate sale area and cutting unit boundaries on the ground. Interprets Aerial Photos and locates ground features. For timber cruising, serves as tally person and may operate electronic field data recorders. Timber cruising is done under the direct supervision of a qualified timber cruiser. The work can be physically demanding, and usually consists of a 40 hour work week, Monday-Friday. Applicants need to have a valid driver’s license.

Location: Glidden, WI (1 position: GS-0462-05) - **Contact:** Andy Meyers 715-762-5106 or ameyers@fs.fed.us

Location: Washburn, WI (1 position: GS-0462-05) - **Contact:** Jedd Ungrodt 715-373-2667 or jdungrodt@fs.fed.us

Series and Grade: GS-0462 -5

Vacancy Announcement: **14-TEMP110907-017297JT-DT**

Forestry Technician (Timber Stand Improvement) GS-0462-04/06

Applicant works in the District Silvicultural Program. The incumbent will perform stocking surveys and timber stand improvement work. The applicant may also assist in performing field checks of suspected oak wilt infections on the Lakewood/Laona District and in other resource areas on the Forest as needed. The work can be physically demanding, and usually consists of a 40 hour work week, Monday-Friday. Applicants need to have a valid driver's license.

Biological Science Technician (Plants/Pollinators) GS-404-04

Applicant serves as part of the Forest's Native Plant and Pollinator Program crew, collecting and disseminating data to spread the word that native herbaceous plants support all species, even bats. Duties include: survey for pollinators, propagate native plants and tend gardens, engage public and students in conservation education, herbicide non-native invasive plants, and clean seeds for the seed cache, plus some nocturnal work (survey for moths, survey for bats by driving transects, and spend a few nights assisting with bat mist-netting across the Forest's East Zone). The successful applicant will be an enthusiastic self-starter, able to identify WI butterflies/moths/bees (and other insects) and native/nonnative plants (or be willing to quickly learn), comfortable working alone or with others, and willing to occasionally work odd hours to accommodate nocturnal duties. Applicants need to have a valid driver's license. Work week is primarily Monday-Thursday, 40 hours/week, but there will also be some work during evenings, weekends, and nights.

Location: Lakewood, WI (1 position; GS-404-04) - **Contact:** Nicole Shutt 715-276-6333 or nshutt@fs.fed.us

Series and Grade: GS-0404 -4

Vacancy Announcement: TBA

Biological Science Technician (Plants/Invasive Species) GS-404-04/05

Applicant serves as part of the Forest's invasive plant treatment crew. Duties include: herbicide application to invasive plant populations (using backpack sprayer or truck mounted sprayer), field surveys for invasive plants, collecting field data and entering it into spreadsheets and databases, using GPS units. Applicants need to have valid driver's license. Work week is Monday-Thursday, 40 hours/week.

Location: Glidden, WI (1 position; GS-404-05) - **Contact:** Steven Spickerman 715-264-2511 or sspickerman@fs.fed.us

Location: Lakewood, WI (1 position; GS-404-04) - **Contact:** Steve Janke (715) 276-6333 or sjanke@fs.fed.us

Location: Florence, WI (1 position: GS-404-04) - **Contact:** Steve Janke (715) 276-6333 sjanke@fs.fed.us

Archeological Technician GS-0102-05

The Archeological Technician will work as part of a two-person team under the direction of a GS-0193-11 archaeologist who reports to the Forest Archaeologist. The individual will be following standardized archaeological guidelines. Work tasks will include assisting the archaeologist complete literature searches; intensive archaeological field survey with walkover, shovel testing, and mapping; analysis of materials derived from the survey and the literature search; and preparation of standardized reports. Work will include both pre-contact Native American and historic archaeological sites. Familiarity with sites in the Great Lakes region would be helpful. The candidate must have a valid driver's license and will possess a Bachelor's degree with training in archaeology or related fields or equivalent field experiences. Work week is Monday-Friday, 40 hours per week. Anticipate a six months' temporary position, May/June to November/December, 2014. Applicants need to have a valid driver's license.

Location: Park Falls, WI (1 position: GS-0102-05)- **Contact:** Joyce McKay, Rhinelander, WI 715-362-1361 or jbmckay@fs.fed.us

Series and Grade: GS-0102 -5

Vacancy Announcement: TBA

Archaeologist (Heritage) GS-0193-11

The Archaeologist will lead a two-person team with an archaeological technician at a grade 5, and is under the supervision of the Forest Archaeologist. The candidate will follow standardized guidelines established by the Forest in consultation with the Wisconsin Historical Society. This individual will work independently to conduct and guide the technician in the following types of archaeological work: completion of literature searches; identification of archaeological sensitivity areas as assigned; intensive archaeological field survey including walk-over, shovel-testing, and mapping; analysis of materials from fieldwork and the literature search; and preparation of a standardized report. Work includes both pre-contact Native American and historic archaeological sites. The archaeologist must be familiar with the different types of archaeological resources in the Great Lakes region. The candidate must have a valid driver's license and will have a master's degree in archaeology or related field, either in hand or have completed all the requirements of the degree. Substantial field experience is required. The work week is Monday-Friday, 40 hours per week. Applicants need to have a valid driver's license.

Location: Park Falls, WI (1 position: GS-0193-11)- **Contact:** Joyce McKay, Rhinelander, WI 715-362-1361 or jbmckay@fs.fed.us

HOW TO APPLY:

Contact the work supervisor identified on the previous pages to get more information about the job and work location. To apply for these temporary jobs you will need to apply through the USAJobs website - <https://www.usajobs.gov>. Please contact the person listed above for questions regarding an office/station location, announcement numbers, dates to apply, the number of positions available, and availability of housing.

APPLY ONLINE at www.USAJOBS.gov

Step 1: Create a USAJobs account (if you do not already have one) at www.USAJOBS.gov. It is recommended that as part of your profile you set up automatic email notification to be informed when the status of your application changes. If you choose not to set up this automatic notification, then you will have to log into your USAJOBS account to check on the status of your application.

Step 2: Create a resume with USAJOBS or upload a resume into your USAJOBS account. You may want to customize your resume to ensure it documents duties and accomplishments you have attained that are directly related to this position, so your application will meet required qualifications.

Step 3: Search for the job announcement number. (**Note: Temporary job announcements are NOT open at this time. If you respond to the outreach notice, we will contact you with the information necessary to apply for open positions. Questions regarding a specific position or office/station location should be directed to the contact name listed in the table**). You can update your application or documents anytime while the announcement is open. Simply log into your USAJOBS account and click on "Application Status". Click on the position title and then select "Update Application" to continue.

IF SUBSTITUTING EDUCATION FOR EXPERIENCE, YOU ARE REQUIRED TO ATTACH YOUR COLLEGE TRANSCRIPTS (IF NOT ATTACHED, YOUR EDUCATION WILL NOT BE CONSIDERED)

Veterans, applying status under the Veterans' Recruitment Appointment (VRA), 30 Percent or More Disabled Veterans or Veterans Employment Opportunities Act of 1998 (VEOA), should include a REDACTED (no SSN) copy of your DD 214, SF 15-Veteran Preference Form or your VA Award Letter.

PAY ESTIMATES

Hourly wages for: GS-3 \$12.07, GS-4 \$13.55, GS-5 \$15.15, GS-6 \$16.89, GS-11 \$24.34, WG-5 \$19.84; WG-8 \$23.18; WG-10 \$24.63

Non-Discrimination Policy

The U.S. Department of Agriculture (USDA) prohibits discrimination against its customers, employees, and applicants for employment on the bases of race, color, national origin, age, disability, sex, gender identity, religion, reprisal, and where applicable, political beliefs, marital status, familial or parental status, sexual orientation, or all or part of an individual's income is derived from any public assistance program, or protected genetic information in employment or in any program or activity conducted or funded by the Department. (Not all prohibited bases will apply to all programs and/ or employment activities.)
