**Full Time Wilderness Therapist at New Vision Wilderness**

**Description:**

New Vision Wilderness therapy programs combine canoeing, backpacking expeditions, and more with psychotherapy in order to assess and intervene with 13-17 year old struggling teens. While allowing structured wilderness excursions to physically challenge clients, master's level clinicians intensively challenge patients in one-to-one and group therapy sessions. This mixture of wilderness excursions and therapeutic contact helps promote the personal growth of each client.

NVW is currently seeking applicants for Full-Time Wilderness Therapist. Wilderness Therapist is the primary therapist responsible for overseeing clinical care of NVW clients and may work up to 4-days a week or more, including overnights, in the Wisconsin or Oregon wilderness while on backpacking, canoeing, and other outdoor expeditions. This position may work in all NVW programs (Wilderness Immersion, 21-Day Expedition, Family, School, and 1:1.). This is an exciting and unique opportunity to work in alternative therapeutic intervention with a growing agency.

**Responsibilities:**

Wilderness Therapists are responsible for clinical intake, case management, individual and group therapy, post-trip clinical summaries and all related paperwork. Wilderness Therapists may carry a caseload of up to 5 clients during extended expeditions.

Responsibilities also include direct care and supervision of clients, completion of daily paperwork, and weekly planning of group activities.

**Requirements:**

Masters degree required. State Licensed preferred. 21+ years old. Minimum of one year experience working in the field with at-risk youth, or comparable experience. Certified Wilderness First Responder preferred. Ability to lift and carry 50+ pounds for extended durations. Excellent leadership skills. Strong communication skills. Creative with excellent problem solving skills.

Must be able to pass a Background Criminal Investigation. Must hold a valid driver's license with clean driving record.

**Salary/benefits:**

Competitive wages based on experience. Health insurance and hiring bonuses available after 90 days of employment. Paid vacation, pro-deal availability, training stipends, performance-based bonuses, opportunities for advancement, and of course paddling lakes and rivers, hiking, fishing, and more, all while healing children.
Community Therapist will work a flexible schedule based on programming needs. NVW provides training in several cutting-edge intervention models and offers a friendly and challenging work environment.
